

August 2019 Newsletter

A Message from the General Manager:

We hope everyone is having a great summer and enjoying the excellent playing conditions this year. Kelly Knudson and his crew have done a fabulous job getting our golf course in great shape. We have a spectacular 9-hole golf course and an outstanding staff in the clubhouse who provide high quality service. We want to thank everyone for booking tee times on our New App and also using our website. A reminder to all players you must check in with the Pro Shop prior to starting your round. August is National Golf Month, golfers are encouraged to share their experience and bring new golfers to the greens!
