Dear Members and Guests:

We want to thank our members and guests for choosing The Bridges at Beresford for their golf outings in 2020. It has been a different year but we are all getting through this challenging time together. We continue to focus on cleanliness, sanitation, and safety procedures to ensure the safety of our team members and guests. As of August 1st, golfers have logged 10,289 rounds so far this year. A special thank you to Greg Bates and his amazing staff for keeping our golf course in excellent shape for all to enjoy. Big thank you to all our team members who have kept our facility safe and for creating a friendly environment! We want to thank everyone for booking tee times on our New App and also using our website for online tee times. A reminder to all players you must check in with the Pro Shop prior to starting your round. August is National Golf Month, golfers are encouraged to share their experience and bring new golfers out to enjoy the links!
