

# October 2020 Newsletter

Dear Members and Guests:

We hope everyone enjoyed the amazing golf course conditions this summer! It was a successful season filled with rave reviews from our members and guests. As many of you know we completed our annual Aerification on Tuesday, September 29th and everything went smoothly. With the warmer weather ahead we anticipate the greens should be healing at a very rapid pace.

As of October 1st, golfer have logged 15,345 rounds of golf this year. Greg and his staff will continue to keep the golf course in the best possible playing conditions for the Fall season. **We thank our patrons who purchased from our golf shop, took lessons, and supported our team members this season - We greatly appreciate it.** Also, a special shout out to our Wednesday morning ladies league for planting flowers and beautifying the clubhouse area. In addition, a big thanks to the Thursday morning senior men's league and all of those in the community who donated to the tree fund. Because of this generosity five spruce trees were purchased and moved onto the course behind hole # 7. A special thank you to Sally Dolan, Darnell and Ann Nelson for the donation of, and moving of the two spruce trees along the fairway on hole 6.
