

# September 2021 Newsletter

Dear Members and Guests:

The unofficial end of the summer is upon us with Labor Day weekend right around the corner. However, the golf course is still in fantastic playing conditions for late season golf! Unlike most golf courses, The Bridges at Beresford doesn't have a predetermined "end of season date". We play as long as the weather and course conditions allow.

Special Thank You to all our tournament hosts, players and sponsors during the month of August. With everyone's participation we had an exceptional turnout here at The Bridges. Our staff enjoys providing a wonderful tournament experience for all guests. We are looking forward to seeing everyone again next year!

As of Sept 1st, golfers have logged 13,429 rounds so far this year. The month of August alone we recorded 3,116 rounds played. With the hope of a longer golf season, friendly reminder that the temperature must be above 42 Degrees Fahrenheit to allow any play on the course. In addition to temperature considerations, if there is frost, snow or a certain amount of standing water on the ground, carts will not be allowed on the course. Stop in the clubhouse before the start of your round to ensure playable conditions.
