

October 2021 Newsletter

Dear Members and Guests:

We hope everyone enjoyed the amazing golf course conditions this summer! The edition of our stand alone restroom complements the aesthesis of our beautiful property. In addition, our golfers have enjoyed the work done to the cart paths and the parking lot. Walkers are now enjoying a new walking bridge on hole #2, we thank Zach Boden for his craftsmanship! We have scheduled our annual Aerification for Tuesday, October 5th, the clubhouse and golf course will be closed that day.

As of October 1st, golfers have logged 15,552 rounds of golf this year. Members contributed to 6,465 of those rounds played! **Big thank you goes out to all of you who continue to promote our golf course to family, friends and co-workers – We greatly appreciate it.**

Special thanks to the Thursday morning Senior Men's League and all of those in the community who donated to the tree fund. Because of this generosity we welcomed 10 new trees to the property. 2 Elm trees, 4 Oak trees, and 4 Maple trees have been added to the golf course. Come check out the new arrivals, they were mainly planted on holes 2 & 5. Also, thank you to our Wednesday morning Ladies league for planting flowers and beautifying the clubhouse area.

Fall Clubhouse Hours
