

January 2022 Newsletter

Happy 2022! We hope that everyone had a wonderful Holiday Season. But, before we say goodbye to 2021, a quick recap of last year. The weather cooperated for us as we began the season March 8th and had mostly playable days until our last round on December 3rd. We increased play by 308 rounds last year, topping out at 16,860 rounds played for the year. Member's accounted for 7,206 of those rounds played! We received many positive reviews for the implementation of new signage around the golf course to help with pace of play for our first time guests. In addition, we added an amenity to enhance our customer experience by installing permanent restrooms on the golf course. Another improvement this past year was the successful resurfacing of our cart paths and parking lot.

Thank you to Greg Bates and his team for keeping the golf course in immaculate conditions this past year!

Special Thanks to our clubhouse staff for providing high level customer service and creating a welcoming environment for all to enjoy. Their hard-work and dedication assisted towards another successful year.

We wish everyone a happy and prosperous 2022! We look forward to ensuring our members and guests have a joyful and memorable experience here at The Bridges.
