

May 2023 Newsletter

Members & Guests,

In early April we thought spring had arrived! However, Mother Nature teased us with several very nice days followed by colder temperatures and non-stop winds. The good news is we still had a dozen playable days, where players could get some swings in and enjoy the great outdoors. We are off to a good start: 1,315 rounds of golf played this year, 229 more rounds played than last year.

We are excited to be hosting a Taylormade Golf **"Demo Day"** scheduled for **Tuesday, May 9th from 3pm-7pm.**

Stop out and try all the latest equipment! We have availability for scheduled reservations and walk ups.

Custom fittings available, call the golf shop for a reservation.

Sign up today! Reservations are limited.
