

# November 2024 Newsletter

Thank you to all of our Members and Guests for an exceptional 2024 Season. We are grateful for the Beresford City Council for approving an outdoor patio addition for our patrons enjoyment. This exciting Capital improvement will start demolition next week! The season started in early March and play remained steady throughout the summer and into the mild October this year. Year to date we have logged 20,881 rounds of golf, 2,538 rounds more than last year! Breaking down rounds played: Members 47% - Public 38% and GreatLife rounds accounted for 15% of the rounds played. November is upon us, and with it comes the changing of the leaves and the cool early morning temperatures, creating frost. We ask all golfers to remain OFF the golf course until the frost has lifted. Hopefully we still have plenty of golf ahead of us this month...the golf course is still in great shape thanks to our grounds crew maintaining quality playing conditions. As we continue to move toward cooler temperatures and shorter hours of available daylight make sure and check our availability through our Chronogolf app or call the pro shop. We wish everyone a Happy Thanksgiving!
