

April 2025 Newsletter

Members and Guests,

What a unusual winter we have had! Thanks to the favorable weather we have had recently, golfers were able to play 352 rounds of golf this year. We're excited to share that the construction of our outdoor patio, which began in October 2024, is scheduled for completion in early July! Until then we ask all golfers to enter through the main doors or through the 4 seasons doors located on the west of the building. The patio is designed to enhance our guests' outdoor experience with TVs, space heaters, and a fireplace. We're also pleased to report that our new maintenance shed, located south of the Member Cart Shed, is nearing completion. This new space will be utilized by our golf course maintenance and parks departments.

The golf course can get very busy throughout the year with tournaments, outings, benefits, and other activities. Please be sure to reserve a tee time. Download our Bridges App to see our availability and book online or give us a call. Tee times can be reserved 7 days in advance. Everyone **must** check-in the clubhouse prior to the start of your round. We look forward to seeing everyone on the course this Spring!
